

1- The importance of English language

Many people learn English for job purposes. English is an international language. Therefore, companies use it for communication. For example, They send e-mails to their customers or speak to them in English.

2- My friend

Even though I have a lot of friends, my best friend is I consider her so unique, because she always tells the truth. She is also funny, creative and an optimistic person. I am very lucky to have a friend like and I wish our friendship lasts forever.

* "....." : name your friend.

3- Informal letter

You are sending a letter to Maria to describe new neighbourhood

Dear Maria

I wanted to send you a message to verify that you're okay and I'm busy to move to a new neighbourhood.

My beautiful neighbourhood, located on the outskirts, we now live in a bigger house and things are better now, and I've met beautiful girls in the new school.

I wish you all happiness.

Lots of love

(your name)

I wish you all the best luck ☺
