## STR DN. PENSIONERS DAY CELEBRATION ON 21-12-2016

Com A. Sugumaran presided the meeting. Two minutes silence were observed for Selvi J. Jayalalitha, TN Chief Minister, Sri Cho Ramaswamy, Sri Ko.Si. Mani, Sri Balamuralikrishna, our member Com G. Devarajan and Com S. Sivasankaran's mother and Com.Fidel Castro, Cuba's leader who passed away during this period. Com S. Sridharan read out the minutes of the last meeting and got approval from the members.

Com S. Narasimhan conveyed birthday greetings to our members whose birthdays are coming in this month. He introduced the 8 new members to the General Body. He conveyed STR Division family welfare news. He said that IDA from January may stay at the present level of 120.3% or even may decrease 1%. He said that some of STR Circle pensioners started getting arrears from bank. He requested our members to give donations liberally to our association. He said that the arguments in the anomaly case filed by our All India Association is over and the judgement is expected soon in favour of us. He said that STP Circle has completed processing of all 78.2% pension revision cases and sent to DOT CELL. He informed that CHTD Circle has also completed all pre 2007 & Post 2007 pension revision cases and sent to DOT CELL. CTO & EX CPT SSA (merged with CHTD LATER) cases are only pending.

Com D.S. Ramalingam welcomed all the Chief Guests. He said that the post 2007 pension revision work in TN Circle office was almost completed and pre 2007 pension revision work will be completed shortly. He said that he is taking serious efforts to enroll old members in our Association. He said that STR Division is going to honour our members who were crossed 70 years in this meeting. He said we are ready to honour any member who crossed 70 years and whose name is missing in the list.

Then our members who crossed 70 years in this year were honoured with shawl.

Com A. Sugumaran spoke about pensioners day importance. He said that upto 1979 the maximum pension is 675/- only. It is Rs.1000/- in 3rd pay commission. The supreme court judgement on 17-12-1982 in Nakara case is a landmark judgement about pension. Central Govt pension for BSNL pensioners was ensured by Govt. because of the sincere efforts of Com Om.P Guptha and Com Vallinayagam and by the employees 3 days strike.

Sri Periasamy, DGM (F) TN Circle during his speech that there was lot of misunderstanding between CCA Office and CGM Office in processing pension cases. He cited 3 cases like, 3% increment case, officiating increment, Phone Mechanic cases. He said that Karaikudi and Salem SSAs have completed all the cases and sent to DOT CELL. In bonus issue he said that his office has credited the amount in bank for all eligible pensioners and some cases were returned from bank for incorrect particulars. He requested the pensioners to give correct bank account details. He said almost all the 78.2% pension revision work is over.

Com Vallinayagam said that he is very proud to be one of the two signatories along with Com Guptha for signing the Pension agreement for BSNL. He said that BSNL is the only first public sector unit getting Govt pension. He explained in detail about the 3 days strike for that period and how he and Com.Guptha negotiated with Group of ministers. Pension was achieved in spite of vehement opposition by Finance minister. He said that 99.9% of the employees took part in that strike. Because of the united fight by the employees, Govt. has come down and agreed for the Pension for BSNL.

Com K. Muthiyalu told the history of Nakara case and explained the importance of PENSIONERS DAY. He said that BSNL pensioners are now getting Govt. Pension because Com Vallinayagam & Com Om. P. Guptha's serious talks with the Govt. during pension strike. He also explained about the 3 days strike by the employees for that. He said that BSNL workers and Pensioners are now enjoying all the benefits of Central Govt. employees. When the 78.2% pension revision case was kept in cold storage by Finance Ministry we sought the help from Cabinet Minister Sri Ananthakumar. Now we have settled the 78.2% IDA Pension revision issue. Similarly we are demanding pension revision at par with Central Govt. Pensioners. He said that we will also achieve this goal very soon.

Com Sundarakrishnan conveyed vote of thanks. 127 members attended the meeting.

**PENSION REVISION ARREARS DONATIONS TO OUR ASSOCIATION:**

We are very happy to know that our members have started receiving PENSION REVISION ARREARS. Members are informing us immediately and sharing their happiness with us. They are themselves asking us how much donations they have to give for our association. Others will also get the arrears soon.

Our All India Association has given top priority to on one issue first.

- 1.. They want that all the ANNUAL MEMBERS should convert themselves into LIFE MEMBERS.
- 2.. Secondly they have fixed a minimum of Rs.1000/- from all members in addition to it. But members who are getting more can contribute more.
- 3.. Out of every Rs.100/-, Rs.50/- should be given to CHQ All India Association. Rs. 20/- should be given to Circle Association and the remaining Rs.30/- should be retained for the branch.

This is a onetime payment from the arrears. Members are going to get pension increase monthly. We are not asking donations frequently. We are spending the money for the meeting expenditures, pensioner's day function, AGB Meetings, delegate fee for attending our All India and Circle conference and for the welfare of our members work.

Hence we request our members to contribute liberally according to their willingness.

Members can give their donations in our coming PENSIONERS DAY MEETING on 13-12-16.

They can give cheque payment in favour of our STR DIVISION BRANCH NAME or can transfer money to our bank account mentioned in the last page.

2. MEETING WITH CCA TN ON 16-12-16:

On 16-12-2016 Our TN & CHTD Leaders had a meeting with the CCA Tamilnadu.

Com.G.Natarajan Gen.Secy, Com V.Ramarao TN Circle president, Com. K.Muthiyalu TN Circle Secretary, Com.Murthy Chennai Telephone District President, Com.M.Govindarajan Circle President ChTD, Anandan, ChTD represented our side.

Shri Dr.Niranjana CCA, TN,shri. Anbalagan, Jt.CCA TN, Shri.Sundarapandian Dy.CCA occupied the official side.

Com.K.Muthiyalu welcomed all for the meeting.

CCA Tamilnadu told that total files to be received from TN Circle, Chennai Telephone District, STR ,STP are 20,000.(Both pre 2007 and post 2007 cases) Upto so far 9000 files all in total have been received and 2500 files have been cleared and sent for payment. Remaining 11,000 files are yet to come from many SSAs of TN Circle and ChTD, Pressure that might have been given by our Dharna letter given on 07-12-2016 , CCA has called for retired SAs/JAs with literacy of Computer knowledge to work in their office. He thanked ChTD volunteers for their excellent work and they have been assigned with pre 2007 files work. Six retired volunteers from ChTD are rendering honourary service in CCA office and the Circle secretary assured to send two more volunteers if the situation needs.

we request all District Secretaries and other Office bearers to contact their respective Accounts Officers in charge of this work and expedite the process of sending the files to CCA Tamilnadu at the earliest.

**78.2% IDR BENEFIT AND COURT CASE:**

Dear Friends,

All are aware that the financial benefit out of 78.2 % is granted from 10-6-2013 because the serving staff of BSNL was given from that date only. To the pensioners, it should have been given from 1-1-2007. But, DoT proposed it from 10-6-2013 in the Cabinet Note and the Cabinet approved it. It is understood that some people are now collecting money and vakkalathnama from pensioners to file a case in CAT to get the benefit from 1-1-2007. If any Pensioner gives money to such people, it is his/her responsibility.

We also thought of filing a case but postponed a decision for number of reasons;

1. We want that the present order should be implemented as early as possible. The target date is 31-12-2016. From the reports we feel that no Circle will complete the work before the date. Staff shortage in CCA offices is the main reason. Lethargic attitude towards pensioners is another. We must concentrate on this aspect now. We should get the benefit of the order without further delay. A court case challenging the order should not be an impediment to the ongoing process.

2. The Court Case is a time consuming exercise. In 2010, the CGPA Kerala filed a case for getting pension @ 50% of Last Pay Drawn for the pre-2006 people. Even after six years the case is not taken up for hearing. Cases filed in 2005 are taken up now. That means the CGPA case will be taken up in 2020 or 2021. In 2014, our Association filed a case in Principal bench of CAT to get the pension anomaly removed. [We did not collect money from the concerned pensioners.] It was listed several times and postponed every time. It may be taken up for hearing in 2017. So, if a case is filed in 2017 demanding 78.2% from 1-1-2007, it may be taken up after 4-5 years. Nobody can predict nature of the Court decision. If it is in favour of pensioners, the government will go on appeal to High Court and Supreme Court.

3. Our Association will make all efforts, including approaching the PM, to get the benefit from 1-1-2007.

For us, a regular system to revise our pension along with the central government pensioners in India is the most important issue. Similarly, we are trying to get a decision by the Government to grant pension at the rate of 50% of Last Pay Drawn to all who rendered qualifying service of ten years, irrespective of the date of their retirement. Everybody retired before 1-1-2006 should get it.

At this stage, we are not contemplating to file any court case. When we decide we will intimate all.

..... P S Ramankutty

6. **ANAMOLY COURT CASE:**

Shri R L Kapoor, Legal committee member reports from Delhi:

"The Pension Anomaly case filed by our Association came up for hearing before the Principal Bench of CAT yesterday. Government advocatæ wanted postponement once again but the Judge did not allow that.

Hence, arguments took place and are over.

Judgement is reserved.

Judgement can be expected soon.

Most probably it will be in our favour"

It is a good news. Let us hope for the best. Let us hope that government will not go on appeal to High Court and waste our time. Please inform the concerned pensioners.

P S Ramankutty

7. **ANOMALY CASE: JUDGEMENT WHEN? :**

We have already informed that the Arguments are over and Judgment is reserved. Some pensioners are asking us how much time it will take?

The case was heard by a division bench consisting of two judges in CAT, Principal Bench. It is sure they have taken a decision. Other things are formality only. One judge will dictate the full judgment to the stenographer. He will type it and show the draft. The Judge will correct and approve a final draft. Again, it will be shown to the other judge. After he approves it the final copy will be drawn. Then it will be signed by all concerned and released.

This process may take two weeks, two months or even more. We can not say. I personally expect it only after the Christmas Holidays are over.

Anyway the case is a decade old. Nobody else could take it to the culmination. We have done it. We have waited all these years. Let us wait for few more days....
