

National Council of Licensure Examination

National council of licensure examination helps the nurses to achieve success in their own profession in USA and Canada. This exam is for two posts one is for practice nurse and other one is for registered nurse. So, it depends on the candidate that for which post he or she wants to apply.

Many of the students who want to get settled in countries like United States of America and Canada actually do not know the whole procedure of applying for it. As in USA there are 50 states and every state has its own requirement.
